# Thomas Bullock CE Primary Academy

## Home Learning – Year 5 – Week bg 20th April

## Welcome to Summer Term!

Hi everyone – Mrs Phelps here!

Firstly, welcome to Summer Term 1 – I wanted to let you know that I will be posting the English and other subjects work this half term and Mrs O'Sullivan will be posting the Maths work for you. I know that school work probably isn't what you want to be doing but if you can do some each day it will make it easier to be a good learner when we do get back to school.

Do your learning in small bits try to do half an hour then do something else, things from the active section – give Joe Wicks a try or the well-being section on the web-site.

I will also be checking Class Dojo if you have any questions or problems or you can email me on deputy@thomasbullock.dneat.org

Most importantly be kind to yourself and your families and take care of each other. This is a difficult time for all of us and we need to be the best people we can be and 'Let our Light Shine.'

Take care – Mrs Phelps
