The Bell – Resource Sheet 2 - The Bells: Poetic Devices

WALT: - investigate how the mood of a poem can change
- identify poetic devices

Match up these poetic devices to their definitions

Alliteration	Words, phrases or whole lines that appear more than once in the poem.
Assonance	A series words close together starting with the same letter or sound.
Repetition	When an object is given human qualities, feelings or actions
Personification	The same vowel sound closely repeated in different words (e.g. mellow wedding bells)
