## Home Learning – Year 2 – Monday 6/7/20

**Maths:**. This week we are recapping some key skills and trying to embed them to help the children next year. Please find the video here to introduce the week: https://vimeo.com/435441166 The resources will stay the same for the whole week so work through what you need and keep practicing the same skills if necessary. Please work through the parts of the power point that you need to.

**English:** The History of Chocolate: Please see my video here: https://vimeo.com/435449181 If you access the work through Google Classroom I have tried to attach a piece called 'What do you think'. If you can possibly add your ideas on it I would really appreciate it. I am just trying to learn how to use Google Classroom myself.

**Spelling:** This week's spellings are –**tion** words: station, lotion, potion, fiction, motion, section, emotional, ambition, affection, expedition or alternatively using some of the number words as this week's spelling.

Read, Write Inc. Practice Books 2B: please work through unit 14 pages 47-49, if you can please have a go at the dictation sentences. I shall attach the answers for you.

**Reading:** Please find attached **3** comprehension activities should you wish to complete it (they are all about chocolate).

**Ideas for Foundation Learning** (please do not do all of them, pick and choose ones of interest):
