MATHS

Follow the simple recipe to make these simple dinosaur foot print cookies. Press the clean dinosaur into the dough gently prior to baking. You could al

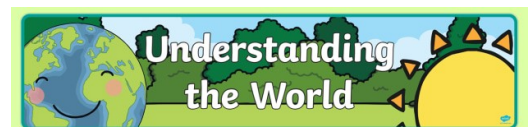

ways make these with lego pressings in stead or another clean small toy imprint.

Expressive Arts and Design

Create a dinosaur collage. You could use natural materials from the garden, craft materials or scraps of paper and materials. Which dinosaur have you made?

During your daily walk or whilst playing in the garden, draw or pick some flowers or plants, safely. Can you learn the name of the flowers? What colours do they have?
