## Phonics: Phase 3

<https://www.youtube.com/watch?v=-ksblMiliA8> This video shows the correct pronunciation of each sound and the way the mouth moves as we say the sound. It is a slightly old video and a bit tedious but the sounds are spot on so give this a watch to be sure you're teaching the correct sound. It's so important for blending that you don't add an 'uh' sound on to the sounds. For example; for m we say "mmmmmm" not "muh".

Use the phonics game which was sent home, to practise the phase 3 sounds. You can play these more than once as you land on different words each time.

*If you were not in when these were handed out, I'll upload a copy to dojo class story and tapestry documents.*

### Challenge:

How many tricky words can you spell correctly in 3 minutes?
