

Thomas Bullock CE Primary Academy

Home Learning: Year 3 – Friday 27th March

Please try to read a little every single day! If you can write something each day too that will help to maintain your super writing!

The Body Coach is doing daily exercises on YouTube at 9am if you want to keep active!

Spellings for week:

guard, guide, heard, heart, height, history, imagine, increase, important and interest.

English: This week the children are learning about free verse poetry.

Today the children should have their final versions of their 'The Magic Box' ready. They need to perform it today.

Can they use expression, intonation, and read it with a clear, enjoyable rhythm?

Listen here for some other people reading poems - https://stories.audible.com/pdp/B007PSETM0?ref=adbl_ent_anon_ds_pdp_pc_pg-1-cntr-0-38

After they have performed it, they need to edit it (We do this lots in school).

Try to:

- up-level any words (Use a thesaurus to make them 'wow' words)
- improve any sentences
- check it all makes sense
- check spellings with a dictionary

When they have done this they can copy it up in neat and fill their page (the bigger the paper, the better!) with drawings/paintings of the things in their poem!

Maths: We are continuing our work on Fractions this week.

Today's task is to copy and then colour the correct fractions, putting your skills from the week into practise! There are 3 levels of challenge again, so pick yours! I have also set a Times Tables activity, as we would usually practise this each day during our fast learning session. Set a timer (for as long as you like) and see how many you can complete! Write your score down as we will have another go next week to aim to beat it!

Art:

Links to English – Drawing/painting/crafting all the wonderful things that you put in your 'Magic Box'.
