

Thomas Bullock CE Primary Academy

Home Learning: Year 3 - Monday 23rd March

Please try to read a little every single day! If you can write something each day too that will help to maintain your super writing!

The Body Coach is doing daily exercises on YouTube at 9am if you want to keep active!

Spellings for week: Please feel free to test last week's spellings.

New words to learn are: guard, guide, heard, heart, height, history, imagine, increase, important and interest.

English: This week the children are learning about free verse poetry.

Please watch the following video to find out more about free verse poetry.

<https://www.bbc.co.uk/bitesize/topics/z4mmn39/articles/z8sf8mn>

Have a read of the poem 'The magic box.' Can you perform it using expression to a grown up or sibling?

You can record it and send it to me on class dojo if you want to!

Maths: We are continuing our work on Fractions this week.

Today we are looking at tenths. Please have a look on the following website for the videos and tasks.

<https://whiterosemaths.com/homelearning/year-3/>

For children who have been self-isolating, they might want to check out lesson 3 as well as 4, however children who have been at school will have completed lesson 3 and can move straight on to 4 (Count in tenths). Tasks are online, but also downloaded into the Year 3 folder.

Topic:

For children who have been at school, they can have a look at Egyptian hieroglyphs and try to write their name, words and even sentences using this type of communication. There is an information sheet to read too, telling you all about this way of communication!

For those who have previously completed this, on Purple Mash I have assigned two tasks – one linked to Egyptian hieroglyphs, the other an Egyptian memory game to play! You will find these under '2do' – the children have used this many times, so should be able to find the work!
