

Thomas Bullock CE Primary Academy

Home Learning – Year 4 – wb.23/3/20

Maths: This week's learning objective is: **read, write and convert time between analogue and digital 12- and 24-hour clocks.**

Mondays activity: See the attached Power point and work through the questions.

Continue to practice your times tables every day!

As an extra challenge can you create your own matching pairs game? Write the time in words on one piece of paper and the digital time on another piece of paper, repeat so that you have between 6 and 10 pairs (depending on how long you want the game to last!), shuffle and place face down, take it in turns to pick up 2 cards – if they match keep them, whoever has the most pairs at the end is the winner!

English: This week we will be all about poetry! The learning objectives are:

Identify and comment on the use of similes and expressive language to create images, sound effects and atmosphere

Write an independent example of free verse.

PowerPoint – Look at the Similes PowerPoint and complete the activity.

Continue to read a wide range of fiction and non-fiction texts and practise any spellings on the Year3/4 list that you are unsure of.

Science:

Watch this short clip - <https://www.bbc.co.uk/bitesize/clips/zc6mhyc>

Imagine you live in a time before electricity – Write a diary entry about your day – How did you keep warm? How did you see in the dark? What did you do for entertainment?

History: We are approaching the end of our topic about Ancient Greeks. I have set you a 2do on Purple Mash to collate all of the things you have learned about Ancient Greece into a leaflet. There is a framework and a clip art bank that you can use to enhance your work.

Mindfulness:

Have a look through the attached selection of mindfulness activities and choose one to have a go at each day.

Purple Mash: Open the 2Blog app. It is under Tools/Communicating and Sharing/2Blog. Under the Class Blogs tab you will see our class blog for South America Class. Click View Blog and then you can comment on the post or begin your own post! Feel free to share pictures and stories about what you have been up to!
