

English – w/c 23/3/20

Monday

Work through the attached PowerPoint about similes and try the questions.

Tuesday

Following on from yesterdays PowerPoint about similes, generate some similes using the sheet “Similes to complete”.

Wednesday

Read the poem “My Longest Journey”. Complete the comprehension questions (there are three levels of difficulty so select the one that suits you!). Answers are also provided.

Thursday

Read “The Magic Box” by Kit Wright. Notice how he has described each of the items he would put into his Magic Box. Write your own “Magic Box” Poem – if you had a Magic Box what would you put into it?

Friday

Read some poems that you might have at home and share them with an adult. If you find a particularly descriptive one, you could draw a picture to illustrate the pictures that come into your mind when you read it.
