Phonics: Phase 3

<https://www.youtube.com/watch?v=-ksbIMiliA8> This video shows the correct pronunciation of each sound and the way the mouth moves as we say the sound. It is a slightly old video and a bit tedious but the sounds are spot on so give this a watch to be sure you're teaching the correct sound. It's so important for blending that you don't add an 'uh' sound on to the sounds. For example; for m we say "mmmmmm" not "muh".

Today log on to this website to play the phonics in bloom phase 3 tricky trucks. The phase 3 tricky words will appear on the trucks. Tricky words cannot be decoded by sounding out; they have to be learnt by sight. Once your child has read the tricky word aloud, click on the tick if they got it right or the cross if not and to try again.

<https://www.phonicsbloom.com/uk/game/tricky-trucks?phase=3>

Challenge:

How many tricky words can you spell correctly in 3 minutes?

Tricky Trucks

Sound out the tricky words that appear on each of the trucks. How many tricky words can you say correctly?

> **Skills taught:** Grapheme recognition, sounding out, blending, recognizing tricky (exception) words
