

Thomas Bullock CE Primary Academy

Home Learning: Year 3 – Tuesday 24th March

Please try to read a little every single day! If you can write something each day too that will help to maintain your super writing!

The Body Coach is doing daily exercises on YouTube at 9am if you want to keep active!

Spellings for week:

guard, guide, heard, heart, height, history, imagine, increase, important and interest.

English: This week the children are learning about free verse poetry.

Today the children are looking at identifying poetic devices! This means they need to find certain words in the poem or particular ways in which it has been written. (I have attached 'The Magic Box' again to do this).

They need to find the following: Alliteration, Onomatopoeia, Rhythm, Repetition and Use of the Senses. (There is a document with examples and explanations of some of these terms if the children need a recap). In this form of poetry there is no rhyming, so this is where it differs from previous poems we have studied!

Maths: We are continuing our work on Fractions this week.

Today we are looking at tenths as decimals. Please have a look on the following website for the videos and tasks (Lesson 5).

<https://whiterosemaths.com/homelearning/year-3/>

The White Rose Hub Tasks are in the folder. I have also attached tasks from Twinkl, which are the tasks we often use in class, so the children should be familiar with these. They have 3 levels of challenge, and the children should know what they usually go for – or they can push themselves today! It is your choice whether you complete the White Rose Hub questions or the Twinkl...or both! The video is suitable for input for all tasks.

Topic:

The children have had their topic task (Egyptians) for this week. One afternoon is spent doing PE and Computing, so today you might like to have a play on Purple Mash. If not, feel free to do some activities at home you want to complete!
