

# EYFS playful ideas

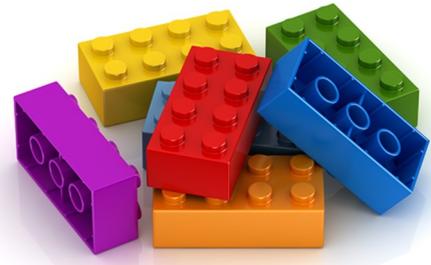

24/03/2020

## MATHS

Get two plates and some objects which are similar objects such as animals, lego bricks, pegs, cookies (if you dare!). Give 10 objects to your child and ask them to arrange the objects onto the plates in different ways to make 10.

## MATHS

Use two different coloured lego, duplo and building bricks to make towers of 10. How many of each colour do you have in each tower?

## Phonics

Choose 5 tricky words to practise. Can you think of a fun way to write these? Sat somewhere unusual; using a funky pen; using a different coloured pen or pencil; in a tray of sand or flour?

## Expressive Arts and Design

Make a picture or collage of your favourite dinosaur
