Home Learning – Year 6 – Tuesday 24th March 2020

Good morning everyone! Welcome to Tuesday 😊

Today's word of the day is **communicate**

Look it up in a dictionary or online, or ask someone in your house what it means. Find the word class, definition, synonyms, antonyms and use it in a sentence. What other words can you find which use this as their root word? Why not post your sentence on the class blog? See if you spot this word on the TV or hear it on the radio.

English

We have been learning about life in Shipdham for American servicemen in 1942. This week I would like you to be imagining that you are an American airman who has just arrived here. There was a system of post called V-mail which meant that the soldiers could write home. Choose your airman name, and decide who you are going to write home to. Plan, draft, edit, revise and write a letter to your loved one. Tell them about what you have seen of England so far, and what you think about English people. Share your thoughts with them, but remember who you are writing to – perhaps you wouldn't tell them everything? There is a document called 'English task sheet' with some more ideas and help, as well as blank Vmail paper for you to use, or you can write it in your exercise book.

This week's **spelling** focus is words with silent letters. Play your speedspell game from yesterday again today. Can you get through the pile more quickly today?

French If you can, have a look at one or two of the videos on the BBC Teach French page: <https://www.bbc.co.uk/teach/class-clips-video/french-ks2-virtually-there-france/zjby8xs>

PE **Why not join the** 9am Joe Wicks live PE lesson on Youtube? Or get into your garden and get some exercise, or dance in your lounge!
