

EYFS playful ideas

25/03/2020

Think of a dinosaur and describe it to a family member for them to guess which dinosaur you are. Remember to use some describing words (adjectives) eg. 'long neck', 'sharp claws'. Use an information book, pictures of the internet to help. We've enjoyed some Andy's dinosaur adventures in school:

MATHS

Make number cards 0-20. Can you put them in order from smallest to biggest to create a number line. Have your child close their eyes while you take some cards away. Give them back one at a time while your child says the number and tries to place them back in the correct place. You can extend this with numbers to 20.

Phonics

How many words with the **or** sound in, can you think of?

Challenge: time yourself to write as many as you can in 3 minutes!

EMOTIONS

Personal, social & emotional development.

Talk about things that make your heart feel happy. Could you draw a picture of some of these things and share with somebody else in the household?
