Phonics: Phase 3

<https://www.youtube.com/watch?v=-ksblMiliA8> This video shows the correct pronunciation of each sound and the way the mouth moves as we say the sound. It is a slightly old video and a bit tedious but the sounds are spot on so give this a watch to be sure you're teaching the correct sound. It's so important for blending that you don't add an 'uh' sound on to the sounds. For example; for m we say "mmmmmm" not "muh".

Today log on to this website to play the phonics in bloom phase 3 Alien Escape game. The children need to put the letters in the correct order to enable the alien to walk across the bridge. Encourage your child to use their robot arms to sound out the word and keep repeating it as they work out the order of the sounds.

Alien Escape

Help the alien escape to the spaceship! Look at each picture and move the letters to spell the word correctly.

> **Skills taught:** Grapheme-phoneme correspondence, blending, segmentation, reading fluency
