

English -Friday 1st May

Time to check and publish your story!

1. Firstly, check through your work and correct spelling and grammatical mistakes - it might help if you read it aloud to a grown up!
2. Publish your final piece - this can be:
 - A neatly written up final copy
 - Make a mini-book and write and illustrate your story (see instructions below)
 - Make a digital version using 2write on purple mash or Microsoft Word on a PC

How to Make a Six-Page Book With One Sheet of Paper!

1. One sheet of white paper. 12" X 18" is a good size to use.

2. Fold in half lengthwise. Also known as a "Hotdog Fold".

3. Fold in half again.

4. Fold in half again.

5. Now you have a very small folded sheet of paper. But it isn't a book yet.

6. Unfold everything. Now it is a big sheet of paper with lots of fold lines.

7. Fold in half in the middle- this time a "Hamburger Fold". Make a mark with your pencil in the center of the folded sheet. Take your scissors and cut from the *folded* edge to the center dot. Stop cutting at the dot!

8. Unfold your sheet of paper. It should look like this with an open slit in the middle. Fold it in half length-wise again. (Hotdog Fold.)

9. Push folded edges towards center allowing the slit to open up into a diamond shape.

10. Keep pushing edges together until diamond becomes a slit again, perpendicular to folded edges.

11. Fold one edge toward slit and the opposite slit toward folded edge.

12. Be sure to go over the creases to make them sharp. Now you have a small six-page book!
