Art & Camouflage

At the military's request, artists created camouflage beginning in the early twentieth century. It was first used for concealment of equipment, and then for uniforms. An artist who used camouflage in his art work was Andy Warhol.

Andy Warhol & Camouflage

Andy Warhol was a very famous artist based in North America, although his work is known world-wide. He focused on using everyday objects and making them special through using them in art.

A few examples:

He used camouflage in his work but not quite in the way it was intended to be used!
