

Thomas Bullock CE Primary Academy

Home Learning – Year 6 – Monday 27th April 2020

#Mondayfunday

BEGIN by watching this video which introduces all the learning for this week, including a SPECIAL CHALLENGE and the debate of the week. <https://vimeo.com/411985730>

Today's word of the day is mimic.

You know the drill by now: define it, explain it, use it, understand it! Who or what is a mimic? Where might we come across this word in everyday life? Share your thoughts on the blog.

English

Today's lesson is a grammar lesson. There is a powerpoint video that I have made all about using pronouns correctly in our writing, to improve the way that it flows for the reader.

You can watch the video by following this link:
<https://vimeo.com/408394320> Password North America.

Within the video there are some tasks to do. Get your exercise book and a pen ready before you start.

This week's spelling

Again, there is a file of spelling activities for the whole week. Do one page each day. There are answers at the end. If you want to print these out then do, but you don't need to print them: you can copy them into your exercise book. Or come up with your own activities to practice the same words.

Maths – Ratio and Proportion lesson 5

I'd like you to watch another of the video lessons from White Rose today : <https://whiterosemaths.com/homelearning/year-6/> It's week 1 lesson 4, 'calculating ratio'. Check carefully that you have the right video! Then have a go at the questions that go with it.

Art

Today's art work is all about camouflage – how animals and plants use colour and pattern to help them.

Have a read through the powerpoint slides, and then there are two pages of activities to explore.

(Friday's art will also be about camouflage, in a different way and with lots of new activities).

Don't forget to look at the 'Thought for the Day' on the website, and also check in with the Class blog.
