

Year 6 - Art & Design – Summer 1

Light & Colour Week 2

In this unit you are going to learn about how our eyes see light and how colour is used by designers and artists.

This week you are going to learn:

- How camouflage is used in nature
- How artists have used camouflage in their work
- How to use your knowledge of these to make your own camouflage artefact

Learning Activity 1:

Watch the power point about camouflage in nature. Can you see how animals and insects use camouflage to keep themselves safe from predators?
