

Thomas Bullock CE Primary Academy

Home Learning: Year 3 – Thursday 30th April

Please try to read a little every single day! If you can write something each day too that will help to maintain your super writing!

The Body Coach is doing daily exercises on YouTube at 9am if you want to keep active!

Spellings for week:

Naughty, notice, occasion, often, opposite, ordinary, particular, peculiar, perhaps, popular

English: This week the children are continuing our learning about Explanation texts.

Today you need to finish your final explanation. Here were your 2 choices:

Task 1 – Explaining how and what plants need to grow. Challenge task – Explaining the lifecycle of a plant.

Make sure you have included your diagrams and everything else needed to make your explanation the best you can!

I thought it would be nice today to let you listen to a story, as I know how hard you have been working with all your writing. It is linked to our learning because it is about the journey of a tiny seed. I hope you enjoy it!

Video: <https://vimeo.com/411507272> Password: Africa

Maths: We are continuing our work on Fractions this week.

<https://whiterosemaths.com/homelearning/year-3/> - We are working on Summer Term – Week 1 (w/c 20 April)

Order fractions

Please find the White Rose Hub activities and answers in the folder.

There is a challenge too, for those of you who would like to have a go!
