

Thomas Bullock CE Primary Academy

Home Learning: Year 3 – Wednesday 29th April

Please try to read a little every single day! If you can write something each day too that will help to maintain your super writing!

The Body Coach is doing daily exercises on YouTube at 9am if you want to keep active!

Spellings for week:

Naughty, notice, occasion, often, opposite, ordinary, particular, peculiar, perhaps, popular

English: This week the children are continuing our learning about Explanation texts.

Today you need to begin to write your final explanation. Here were your 2 choices:

Task 1 – Explaining how and what plants need to grow.

Challenge task – Explaining the lifecycle of a plant.

Just like last week, this is when you change your notes into full sentences and write it as a whole explanation. Think about what went well last time, and also what you could improve this time.

Remember to write 'The plant grows best when' or 'The seed travels...' not 'You must do this...'

You do not need to complete this today, as I will give you time to finish it tomorrow. You might want to focus on the writing today, and the diagrams tomorrow, or just do a couple of sections today. There is a word mat to help you.

Maths: We are continuing our work on Fractions this week.

<https://whiterosemaths.com/homelearning/year-3/> - We are working on Summer Term – Week 1 (w/c 20 April)

Compare fractions

Please find the White Rose Hub activities and answers in the folder.

There is a challenge too, for those of you who would like to have a go!
