

### Ratio and proportion lesson 3.

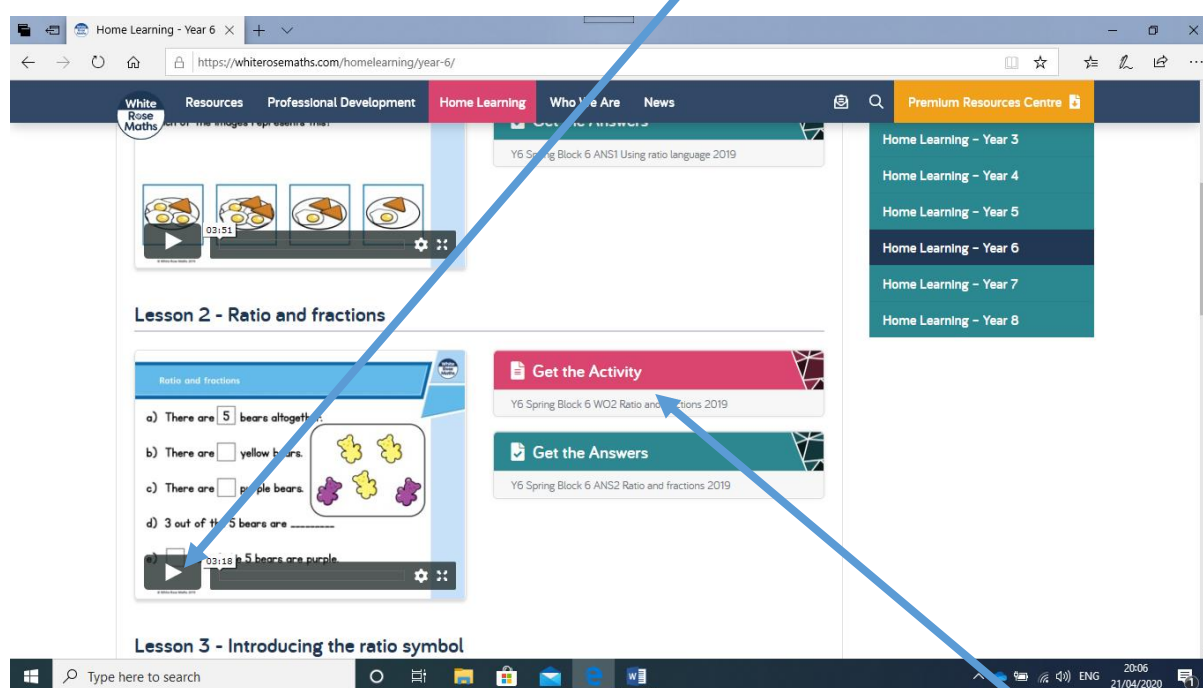

Today I'd like you to watch another video, which is on the White Rose Hub website:

<https://whiterosemaths.com/homelearning/year-6/>

You'll see a screen like this and you need to click where it says Week 1

Then scroll down past yesterday's video to the **second** one and click play:

During the video, you will be asked to try the questions from the worksheet. Click here:

You can print the worksheet if you like, or answer the questions in your exercise book.

Once you have done it, I'd like you to watch this short powerpoint (have your exercise book and a pencil ready!):

<https://vimeo.com/410348213>

Password North America

And then, as it says on the powerpoint, do page 155 in Power Maths book B.
