

## Thomas Bullock CE Primary Academy

Home Learning – Year 6 – Wednesday 22<sup>nd</sup> April 2020

### Day 3 - #backintheswingofit

Today's word of the day is **absorption**.

Look it up in a dictionary or online, or ask someone in your house what it means. Look at how the root word (absorb) has been changed when the suffix is added – this is an unusual word! There are a number of different contexts in which we use this word – how many can you think of? Find the word class, definition, synonyms, antonyms, other words which have the same root word, and use it in a sentence. Why not post your sentence on the class blog? Can you draw a diagram of this word, or maybe you could think of a creative activity to show this in action!

**English - Reading Comprehension - The Girl of Ink and Stars chapters 3 and 4.** Please make sure you have read or listened to chapters 3 and 4 of the book – you'll find a link to chapter 3 in yesterday's work, and chapter 4 is here:

<https://soundcloud.com/user-824194287/ink-and-stars-chapter-4/s-Ru0YkpJoXBo>

Have your own copy of the book open, and complete the reading comprehension questions that are in the file 'English activity'. Answer on the sheet or in your exercise book.

This week's **spelling activities** are all on one file, 'Spelling activities for this week'. They focus on spelling and vocabulary building. Just do **ONE PAGE each day** – the answers are given at the end. If you want to print, then do, but you don't have to – you can answer all the questions in your exercise book instead.

#### **Maths – Ratio and Proportion Day 3**

Please see the file 'Wednesday maths task sheet' to explain where to find today's teaching video and activities.

Science – **light and colour**. First, open up the file, 'Wednesday science' and have a read. Then, I would like you to watch this video: <https://www.youtube.com/watch?v=g5BHxozBPuA> It's just under half an hour long. As it's on Youtube, there may be adverts at the beginning – just ignore these and skip past them.

Have fun with some of the activities from the file, or design your own!

#### **Computing - quizzing**

Open up the 'Wednesday Computing' file for instructions to make a game on Purple Mash.

Don't forget to look at the 'Thought for the Day' on the website, and also check in with the Class blog.
