Maths: White rose maths - https://whiterosemaths.com/homelearning/year-1/

Please complete Summer term week 1 Lesson 4 (Finding half) of the white rose maths – link above. Watch the video and complete questions. You could do this practically by drawing shapes and cutting them in half or drawing a line down the middle of them. If you find that easy try the maths challenge questions.

**Topic-** Please look at the Topic grid you DO NOT need to complete one every day just at least 2 within the week. If you want to complete more that is fine too enjoy ♥
