

Weekly Maths Overview - w/c 11.5.2020

This week is all about money. Different activities will be posted every day. Actually going shopping is obviously not an option at the moment but if you get a chance during the week counting up piles of coins, counting out specific amounts of money and working out imaginary change are all great skills to practise.

Monday

Choose a few of the money challenges to have a go at!

Tuesday

Work through the Power Point.

Wednesday

Depending how confident you are feeling pick either the 1, 2 or 3 star question sheet to work through.

Thursday

Work through the Power Point.

Friday

Choose a few of the money challenges to work through.
