

English Weekly Overview for w/c 11.05.20

This week we will continue to practice spellings, handwriting and we will be revising some of our grammar work. We will also be continuing to improve our creative writing using picture starters.

Monday – Handwriting and Spellings. Use Letter join – We will begin to practice some of the words from the harder words section.. This week it is yell, eye, jaw and jay.

Go to <https://www.letterjoin.co.uk/log-in.html> and user name is **vt7501** and password is: **home**. Select Y4.

For the grammar activity I have uploaded a Pixl resource – this does not have to be printed – you can complete the questions on paper or in your book if you have it. You need to answer the questions and then use the separate answer file to check your work – no cheating!!! Because this is a Pixl resource, it has to be password protected so when you open it enter the password **South America (note capital letters and space!)**.

Tuesday and Wednesday – Each day you will have a picture starter and some writing activities to complete about the picture. There is nothing to print – you can just complete this on lined paper or in your book if you have it.

Thursday and Friday – We will be returning to Escape from Pompeii and focus upon writing an action scene based on a disaster.
