

Weekly Maths Overview – w/c 18.5.2020

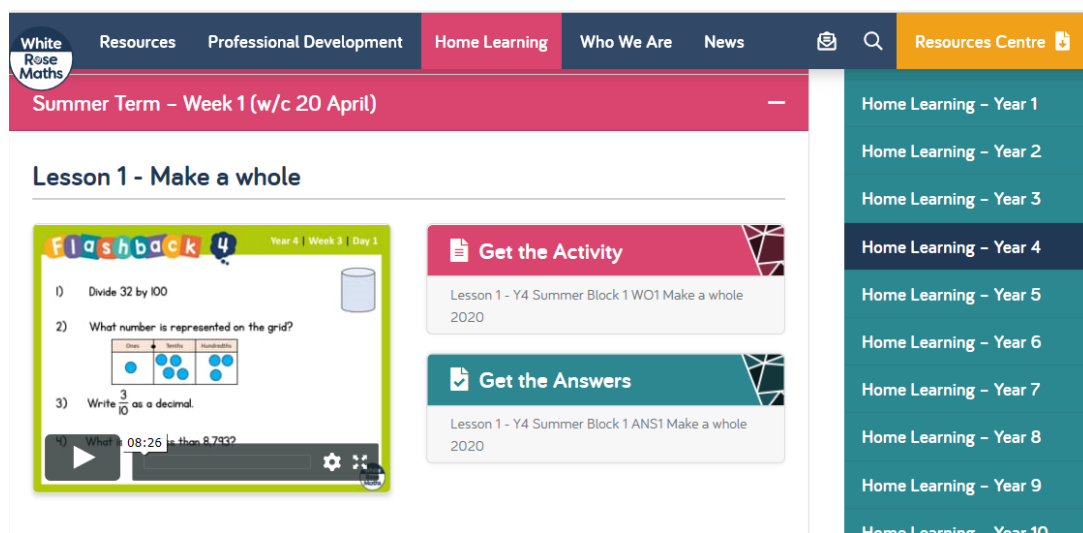

This week's focus is decimals. Each day there is a video to watch and then some questions to answer.

Click on the link below to take you to White Rose Maths.

<https://whiterosemaths.com/homelearning/year-4/>

You will then need to click on Summer Term – Week 1 (w/c 20 April) - I know it isn't but this is the week with the content we will be using!

This is what it should look like:

White Rose Maths

Home Learning – Year 8

Home Learning – Year 9

Home Learning – Year 10

You can access the questions and the answers from this page but I have also attached them in case anyone has any trouble. You do not have to print out the questions although you obviously can if you wish to!

I have also added some extension questions which can be done at any point during the week if your child needs a little bit extra.

As we haven't used the White Rose Maths before do let me know how you get on.

Good luck!
