

# Them Bears Song

*(Sing to the tune of 'Dem Bones'.)*

*(chorus)*

Them bears, them bears, them three bears.  
Them bears, them bears, them three bears.  
Them bears, them bears, them three bears.  
Them unlucky three bears.

The first bowl she tried was too hot,  
The next bowl she tried was too cold,  
And the last bowl she tried was just right,  
Oh, them unlucky three bears.

*Repeat chorus x1*

The first chair she tried was too big,  
The next chair she tried was too small,  
And the last chair she tried was just right,  
Oh, them unlucky three bears.

*Repeat chorus x1*

The first bed she tried was too hard,  
The next bed she tried was too soft,  
And the last bed she tried was just right,  
Oh, them unlucky three bears.

*Repeat chorus x1*
