

Thomas Bullock CE Primary Academy

Home Learning – Year 6 – Monday 4th May 2020

#Explorers

This week is a bit different, as we have one theme this week for the whole school. I've made a video to explain and let you know what the topic will be each day:

<https://vimeo.com/414497206>

I would still love to see your work – and from this week onwards, dojo points are making a comeback, so the more learning you share, the more you earn...

You'll find the work for each day on the website as usual – it will be the same for every year group this week.

Don't forget – Friday is a bank holiday, so no home-schooling on this day.

Have a great week!
