## How to find today's maths lesson

Go to: https://whiterosemaths.com/homelearning/year-6/

Today we are going to work from the White Rose Hub website again. We need Week 2 Lesson 2.

When you open the website, you'll see a page like this:

You need to **scroll down** using the scroll bar at the right of the page or your down arrow, or swipe down if you're on a tablet.

You need to look for **Week 2** at the bottom (<u>not</u> Summer term week 2):

Click it and then your page should look like this:

Scroll down again until you get to Lesson Two:

I would like you to watch the video for Lesson 2 and complete the activities in your exercise book (or on the sheets if you prefer). Check your work using the answer pages.
