

## Thomas Bullock CE Primary Academy

Home Learning – Year 6 – Tuesday 12<sup>th</sup> May 2020

### *Why not write a letter to a friend or an elderly relative today?*

Today's number of the day is the number 12. Is it just one more than 11? What else makes it interesting? What can you tell me about this number? How many different ways can you make it? Are there more ways to make this, in comparison to 11 which is prime? Use all 4 operations if you can (+, -, x, ÷) Can you draw it using different representations? When in everyday life might you come across the number 12? Can you think of any songs, books or films that have the number 12 in them?

#### English

I'm going to continue to upload a chapter or two of the Girl of Ink and Stars for you to listen to each day, or you can read through the rest of the book at your own pace. I have now produced a big resource of activities linked to the book and I would like you to pick and choose from this 'menu' each day for the next two weeks to work on any of the things that take your fancy. You might find that you can complete one activity a day, but you may also find that some take you several days to do in depth. **You don't have to do everything** – you choose what you do and how long you spend on each task – take responsibility for your learning and take pride in your work. I'm really looking forward to seeing and reading what you come up with. Enjoy!

This week's **spelling activities** are all on one file. Do one page every day if you can. If you are unable to print things out at home, I know that the word-searches are tricky. However, you can all do the second part of each sheet in your exercise book, even if you can't print the first part. If you can do it all, then that's great!

**Maths** Back into PowerMaths today to continue our work on scale factors. I have made a video to explain the learning – find it at: <https://vimeo.com/417110226> Password North America. Then, please work in your Power Maths book on pages 168, 169 and 170. I have included a file with the answers.

**Music** - Join in with Mrs Dack's virtual choir! Find the link on the school website, or click here: [https://www.youtube.com/watch?v=b\\_wNOQdWWA4&feature=youtu.be](https://www.youtube.com/watch?v=b_wNOQdWWA4&feature=youtu.be)

**PE** - Find the links to our PE challenges on the school website – there are challenges from the Norfolk School Games and the WNDSSP.

**French** There was a French lesson on the website with last week's learning for Year 6. If you didn't have a look last week then please look at this today.

Don't forget to look at the 'Thought for the Day' on the website, and also check in with the Class blog.
