

Thomas Bullock CE Primary Academy

Home Learning – Year 6 – Tuesday 19th May 2020

It's mental health awareness week this week – the theme is kindness.

What can you do today to be kind to yourself?

Today's song of the day is

<https://www.youtube.com/watch?v=FijQbZeTGNc> It's all about a particular type of tree, called conifers. See if you can find out from the song what makes conifers different from other types of trees. You should also be able to spot lots of different things which humans use conifers for. How many kinds of conifer trees are there? Can you name all the ones mentioned on the video?

English

Keep on working on the menu of activities from the Girl of Ink and Stars. We are planning to finish the book this week, so take some time to read on if you haven't done so yet, or listen to the next few chapters on Soundcloud (see 'Girl I&S audio updated again' for an updated list of links for all the chapters up to chapter 22 – and I will record the final few during the week, so look out for these!) Choose your activities from the menu, take your time and do your best! Then share your work with me and your friends via purple mash.

French

The French home learning is available to download from the website.

This week's **spelling** Thanks to Reece and his mum who spotted that I had put the wrong spelling file onto yesterday's work as it was one that you have done before! Hopefully the extra practice was helpful anyway... Today I have now managed to add the correct file for you, so you will find new spelling activities attached, with the answers given at the end. Spread them through the week, or do it all today ☺

Maths This is our final week of the ratio and proportion unit. We will be looking at more problem solving today, then tomorrow we will do an end of unit activity. Look out for maths games on Thursday and then arithmetic on Friday. Today's lesson is introduced with a video: <https://vimeo.com/419863451> Password: North America.

Music Have a go at Mrs Dack's music, or join in with the virtual choir. Alternatively, **sing along to today's song of the day and then make up your own song about a tree or type of plant.** Record it and send it to me!

PE Please have a go at the PE challenges from the Norfolk School Games. This week's challenge is golf – find it here: <https://www.youtube.com/watch?v=EfvWMYeUQjI&t=4s> You don't need golf clubs or any special equipment to take part!

Don't forget to look at the 'Thought for the Day' on the website, and also check in with the Class blog.
