

## Thomas Bullock CE Primary Academy

Home Learning – Year R EYFS - Week beginning 1/6/2020

All video passwords on vimeo: Ark

Watch our weekly welcome video here: <https://vimeo.com/424286981>

**Watch ' the Snail and the Whale' on the BBC iplayer:** <https://www.bbc.co.uk/iplayer/episode/m000cslw/the-snail-and-the-whale>

### Literacy:

For our Literacy lessons this week, in addition to the ideas on the weekly overview sheet, we are going to be writing a post card to a friend or family member to tell them what we have been doing at home and in our gardens. You might decide to pretend you are the snail or the whale from the story and write what you have done or where you have visited, instead. Click on this link to watch the lesson video presentation: <https://vimeo.com/424280283>

### Maths:

In addition to the Maths learning ideas on our weekly overview sheet, we are going to be joining the white rose hub daily lessons online. The White Rose hub is a fantastic learning resource and they've created daily lessons which fit brilliantly to our story of 'the Snail and the Whale'. Click on this link <https://whiterosemaths.com/homelearning/early-years/> which will take you to the early years homepage on their website. Click on the pink tab which says 'Summer Term, Week 6, WC 1.6.20' and you will find the daily lessons. Start with day one on Monday. Watch the video and then click on 'get the activity' to the righthand side to access the resources, daily.

Don't forget to access our new online portal RMEasiMaths daily for exciting instant and independent home learning! You should have received information on this during half term but please let me know if you need help accessing this. It is recommended to spend between 15-30 mins daily on this.

### Topic:

Have a look on the weekly planning overview sheet for this week which has suggested activities for each area of learning within the EYFS.

## Thomas Bullock CE Primary Academy

### Phonics:

Following on from your feedback from last term, I have created daily audio phonics lessons. Please let me know how you get on with these! They can be accessed for each day as detailed below:

Monday : <https://vimeo.com/424281224>

Tuesday : <https://vimeo.com/424281245>

Wednesday : <https://vimeo.com/424281266>

Thursday : <https://vimeo.com/424281290>

Friday : <https://vimeo.com/424281306>

### Philosophy Friday's

For each Friday this half term, Mrs Lindner will introduce Philosophy Friday's where we will discuss and explore 'big questions'. The weeks have been planned to be inclusive to children of all year groups across the whole school, meaning siblings can work together to explore and think widely about the topics. This week we are looking at the big question 'should we explore?' In EYFS, we are very keen explorers! In our learning we take risks and the children are encouraged and taught how to manage these risks safely. This week, talk about taking risks and hopefully your child will be able to tell you how they take safe risks and they have to do if they're not sure about something. Look out on our website for more information from Mrs Lindner.
