Home Learning – Year 6 – Friday 5th June 2020

If you haven't been in touch with me yet this week, PLEASE send me a message today to tell me how you are getting on!

It's philosophy Friday!

Begin by watching this video, in which I introduce today's learning:

The big question for today is: Should we explore?

Open up the file with today's learning: it gives you links to videos to watch, questions to think about, and activities to do. You might particularly enjoy the activity which involves researching the myth of Pandora – but start with the other videos and questions first!

Don't forget to look at the 'Thought for the Day' on the website, and also check in with the Class blog.
