

Thomas Bullock CE Primary Academy

Home Learning: Year 3 – Monday 15th June

Don't forget to go on RM Easimaths and try to complete 30 minutes on it a day!

The password to all videos is Africa

Your introduction to the week can be found here - <https://vimeo.com/428841385>

Spellings for week:

Your final list is months of the year! Remember, they all begin with a capital letter!

January, February, March, April, May, June, July, August, September, October, November, December.

English: Today we are designing costumes and sets for our own stage version of **A Midsummer Night's dream**.

There are templates if you would like, or just get designing on plain paper, filling it with all of your ideas!

You could even build the sets out of Lego or cardboard, or paint your beautiful woodland, or collage it using materials from outside. There are plenty of different ways you could show the setting.

Maths: This week we are continuing our work on properties of shape.

Today we are learning about angles. We will be comparing them.

Click here for the lesson input. <https://vimeo.com/428845172>

There are the diving, deeper and deepest sheets you will be familiar with, but also an extra activity if you need to practise a little more.
