This week try to solve the plant clues to be able to escape the garden centre! The answers are on the PowerPoint for you to check after.

The PowerPoint in the folder looks at adult clothing.

I have assigned a task on Purple Mash too if you would like to have a go at it.

Art:

This week take a look at the Art PowerPoint, 'Drawing techniques' and find out how to create texture when you are sketching. Have a practise using objects around your home.
