

English Weekly Overview for w/c 29.06.2020

We are going to be learning:

- To write compound words
- To generate powerful adjectives
- To find and retrieve information from a non-fiction text

Monday:

Spellings – This weeks spellings include more complex words which may be new to you. Use a dictionary (physical or online) to look up the meanings of the words and choose 5 to write into a sentence to show that you know the meaning.

Handwriting – We looked at letter writing last week which was a good opportunity to practice our writing. This week try and practice any letter formations you find tricky in a multi – sensory way. For example, you could chalk outside, use a painbrush to paint water on a wall, use paint to try a tricky join or even some of your spelling words! You could draw them in the air with a ribbon or any other fun way you can think of!

Tuesday, Wednesday and Thursday – We are going to continue to look at non-fiction texts and this week we will use one of the Pie Corbett “Talk for Writing” units this week – !Amazing Aliens!”. We are going to revise compound words and adjectives and practice finding information in a non-fiction text. We will also begin to gather information that we can use to write our newspaper report next week

Friday – This is our philosophy day so there won’t be any English set today.
