Spellings for week:

As we have covered all of the Year 3 statutory spelling words, I shall be attaching a pack where each week you have to practise some of these words again. The sheets are called 'Correct the spelling mistake' and so you have to fix the spelling errors someone has made!

This week is Page 1.

English: This week we are writing a diary entry.

Today I will talk you through the features of a diary, so that you will be able to write your own later in the week.

The video is here: <https://vimeo.com/430984201>

Once you have watched the video, you can choose one of the example texts and see if you can find the diary writing features.

Maths: This week we are finishing our work on properties of shape.

Today we are recognising and describing 3D Shapes. Find the video here: <https://vimeo.com/430985590>
