

## English Weekly Overview for w/c 22.06.2020

We are going to be learning:

- To vary sentence types in letter writing
- To write an informal letter, including all of the main features of layout and language

### **Monday:**

Spellings – Look at the spelling activity and go to <https://www.spellingcity.com/>. You can type in your spelling words and then play spelling related games using your words. Make sure you type the correct spellings!!!

Handwriting – Go to letter join <https://www.letterjoin.co.uk/log-in.html> and user name is vt7501 and password is: home. **Select Y4** and have a go at the “Write it right” activity. The easiest way to find it is to search for “Write it right” in the search bar of letter join but I have set it as a pop up home learning task.

**Tuesday, Wednesday and Thursday** – We are going to have a go and writing and sending an informal letter to a friend or relative. We will also write a letter to our future selves later in the week!

**Friday** – This is our philosophy day so there won't be any English set today.
