

Pattern

William Morris

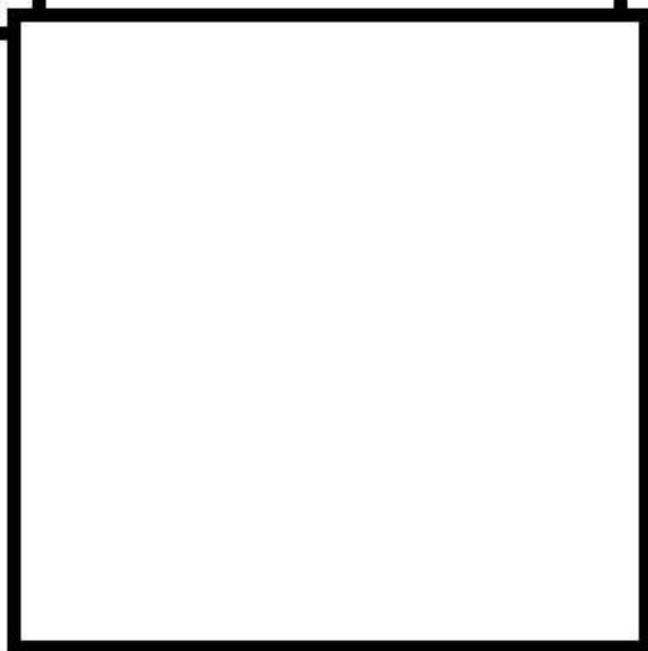

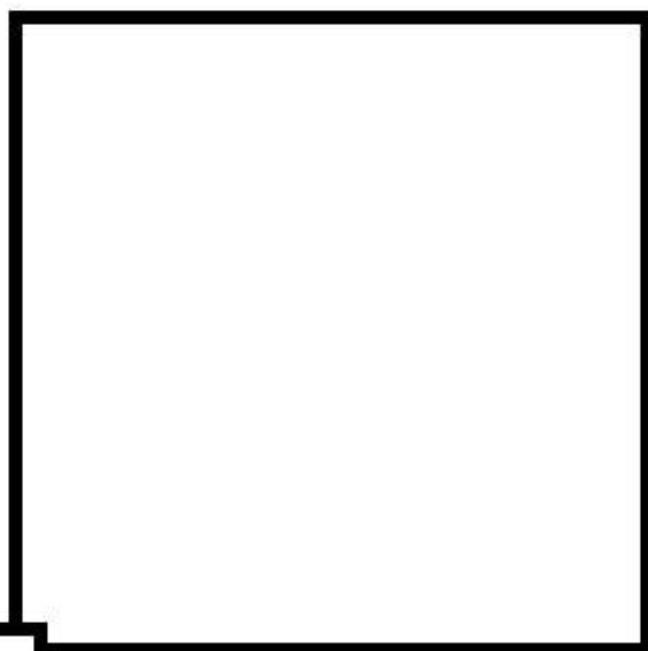

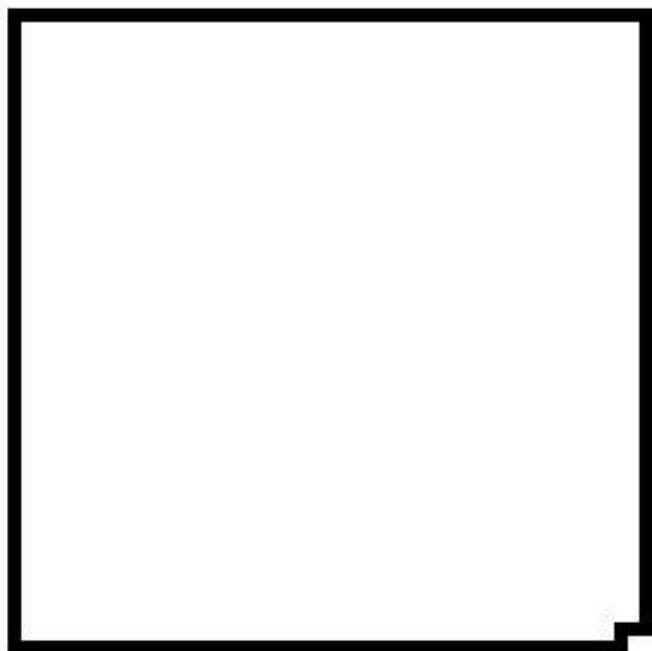

Lesson 7

Exploring Patterns

- Today you are going to explore and create **three** different pattern designs using **colouring pencils**.
- Look back at your **Natural** patterns you practised earlier in your sketchbooks for inspiration.
- Draw 3 boxes into your books.
- Now you are ready to produce your creative pattern ideas.
- **Tips:**
 1. Think carefully about what pattern techniques you're going to use (**mirror, repeat, rotation, half-drop, brickwork**).
 2. Remember to colour blend and keep your patterns neat.

Examples
