

Hello everyone

I have got a special mission for you all.

I would like you to watch three short youtube videos of a puppet show called "Seedling" Episode 1, 2 and 3

I am very proud to inform you that the creator and designer behind this show is my nephew, Peter Morton. Normally, his company "half a string" tour the country with their amazing puppet shows, including at the Edinburgh Fringe. However, during lockdown he has been busy producing these wonderful short films.

Please find their youtube channel :

Finally, there is a puppet making workshop with Peter demonstrating how you can make your own puppet!! Adult support is essential for this!

So here is your mission, if you choose to accept!

1. Watch the films
2. Make you own puppet
3. Create a film script/story
4. Film your puppet in action!
5. Add music if possible

Listen carefully to the music on the Seedling films and then make up your own music or songs to accompany your film!

This mission will take time, don't rush it!

When you have finished your film you can upload it to me and I can show Peter your work! With your permission!

Please note you never see the person behind the puppet, only his hand with gloves on!!

Stay Safe and happy puppet making! Be careful with those scissors!

Kind Regards

Mrs Dack
