<u>English: Zoo Keepers -</u> Using all of the information you have found out about your animal this week, create a video presentation about your animal giving facts as if you are a zoo keeper at a zoo. You can use your role play area you built as a prop or you can draw pictures. Have a look at some of these examples of real zoo keepers below. Think about how you can make your video super interesting. I look forward to watching them, when you have completed them if you want to, send them to the office and ask Mrs Lowe to put them on the website for you.
