## **Spellings for week:**

'Correct the spelling mistake' - **Page 1.**

## **English: This week we are writing a diary entry.**

Today we are editing and improving our diary entry.

Read through your diary entry and use the checklist I have given to see if you have included everything.

If there are any parts you can improve, use a different coloured pen, just like in school to edit it. Maybe you could use a thesaurus to improve some of your vocabulary? You could write about the following day for the character as a diary entry if you want a challenge!

## **Maths: Today we are continuing our unit on Mass.**

We are comparing mass today.
