

Topic Grid- **Complete the science activity** and choose some of the other activities to complete this week, have fun!

Geography – Links to Science this week

Can you research the following questions about the Kalahari Desert Where Sunny Lives?

Where is the Kalahari Desert?

How big is it?

What animals live there?

What is the weather like?

Any interesting facts?

ART- Hand puppets

Check out how to make these amazing but easy paper hand puppets

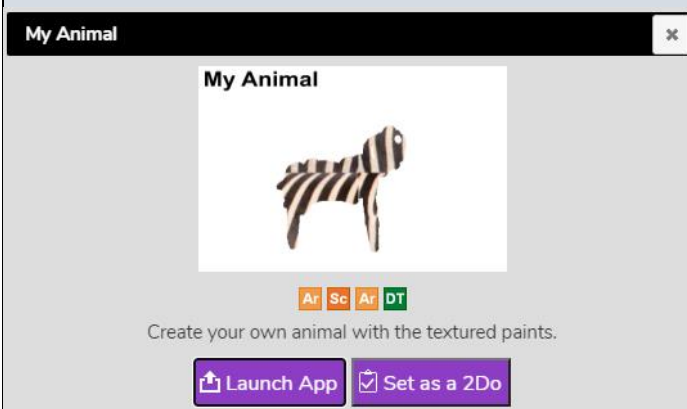

Can you make some of the animals you would find in Africa.

https://www.youtube.com/watch?time_continue=2&v=-n4A_rabcwg&feature=emb_logo

Purple Mash-

Can you create your own scene from Meerkat mail using the My Animal paint project! On purple mash

Science: Habitats

Over the next few weeks we will be learning all about different habitats. Each week you will learn a new one.

I would like you to create a model of each of the habitats, then you can video it and tell me all about the habitat and the facts you have learnt.

What is a Desert habitat?

Watch the videos and complete the quiz about Polar habitats.

<https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zsqnfg8>

Then using your knew knowledge build your desert habitat model and tell me what you have learnt.

Here are some examples of how it may look, don't forget to include the plants and animals that may live there.
