

# Topic Grid- **Complete the science activity** and choose some of the other activities to complete this week, have fun!

## **Story Time – Listen to any or all of these stories**

<https://www.youtube.com/watch?v=XOGSedNnjVI>

[https://www.youtube.com/watch?v=tOmAa\\_y\\_Ak](https://www.youtube.com/watch?v=tOmAa_y_Ak)

<https://www.youtube.com/watch?v=yqqxhli4HbQ>

## **Science: Habitats**

Over the next few week's we will be learning all about different habitats. Each week you will learn a new one.

I would like you to create a model of each of the habitats, then you can video it and tell me all about the habitat and the facts your have learnt.

### **What is an Ocean habitat?**

**Watch the videos and complete the quiz about Ocean habitats.**

<https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zsfkd2p>

Then using your knew knowledge build your Ocean habitat model and tell me what you have learnt. Here are some examples of how it may look, don't forget to include the plants and animals that may live there.

Create your own  
**Ocean**  
in a Jar

## **ART- Eric Carle**

Eric Carle was inspired by Matisse, in his books he uses painted paper to layer and collage pictures of animals.

Watch the video demonstrating how to create textured paper

Can you create your own animal inspired picture using textured paper collage?

<https://www.youtube.com/watch?v=2XcVmNt-vEw>

## **PSHE**

In the story "Meekat Mail" the Meerkats are told to stay together.

### **Discuss with a family member**

What are the benefits of working together?

Do you prefer to work independently or with others? Why?

Write down your answers on a piece of paper and draw a picture to go with it.

## **PE**

10 MINUTE Shake-ups – Choose a game to play to break up your day! There are a variety of different games all linked to your favourite Disney movies!
