

Tuesday 2nd June – English Instructions for today

Today we are going to have a go at a longer grammar quiz. Most of the questions are just revising work we have covered throughout Year 4, but there are two questions about the present perfect tense which you will have covered in Year 3 but we have not covered this year. So, to help with this please watch the teaching video below before you attempt the quiz which explains what the present perfect tense is and how it is used.

To watch the teaching video about present perfect tense:

Go to <https://www.twinkl.co.uk/go/sign-in>

and put in the class code:

ML3187

After watching the video, try the longer grammar quiz in the folder today. Don't worry if you don't complete it all. It just provides some more practice at answering these types of questions. The answers are included in another file for someone to check your answers! If there is anything you are not sure of let me know and I will get back to you as soon as I can. Mrs. Wall and I are in school teaching now for part of the week but we will still be checking our messages whenever we can!
