Spellings for week:

Continue with the 'Correct the spelling mistake' activities.

This week is **Page 2**.

English:

Today we are putting together all of our knowledge on the Tudors. This is also a chance to do more research to find out more information if you want to. I have given you headings of the areas we have looked at so far, however please feel free to add in your own.

Tomorrow and Thursday I would like you to write/create a fact file about the Tudors. It can be a PowerPoint, a video, a poster or a written piece – however you wish to share your knowledge. So, today is time to collect all your facts and **plan** your final pieces of work!

I will be giving you the next 2 lessons as I know it may take some time to show your facts in such interesting ways!

Maths: Today we are beginning our work on capacity.

Today we are measuring capacity using ml and l. Find the video here: <https://vimeo.com/431463573>
