

Tuesday 16nd June – English Instructions for today

Today we are going to be doing some more grammar revision – there is a Grammar PowerPoint to work through. Try each of the questions on a piece of paper or in your book question by question and each is followed by the answer – no peeking!!

There is also a reading of Dear Greenpeace to watch and listen to here:

Think about the different styles of the letters – what is the difference between the features of the letters written by Emily and the letters written by Greenpeace? Note down what you notice.
