L.O. To learn about the legacy of the Romans in Britain

Read the poem by Judith Nicholls in the folder or you can listen to it here:

<https://childrens.poetryarchive.org/poem/the-romans-in-britain/>

Choose one of the activities that follow the poem in the folder. You could:

- investigate some of the words we have today that have Roman origins
- Choose one of the many Roman influences in the grid and investigate and research one of them in detail. You could present this as a powerpoint or a video or a picture.
- On Purple Mash I have set a 2do to write a newspaper report about why the Romans left Britain – you could choose to do this activity today.

Watch this Horrible Histories Roman compilation to round off our topic with a bit of fun!
