

## English Weekly Overview for w/c 13.07.2020

We are going to be learning:

- To retrieve information from a diary entry
- To identify the key features of a diary
- To revise expanded noun phrases and conjunctions
- To write our diary entry that includes the key features

The end of term is fast approaching! This week we are going to start our final English unit – Diary Writing! We will have a go at using the Oak National Academy as there is a unit of work there that fits perfectly with our objectives. I know you have been using this with Mrs. Wall for Maths and that lots of you said that you had enjoyed using it!

Each day follow the link and work through the lesson. You may need a paper and something to write with. These units contain spelling work within them but I have also uploaded a Year 4 spelling list so that you can keep on top of these next week and over the holidays in preparation for Year 5. There won't be as many documents set each day as the links are all here but there will be some extra work on some days for those of you who would like to do more if you wish.

Monday
